

FREE Event at The Harold Leever Regional Cancer Center

BRA Day  
(Breast Reconstruction  
Awareness Day)  
is celebrated in October

# All *in the* Family?

## The Genetics of Breast Cancer

Please join us to learn first-hand about how:

- Genetics can help determine your risk for getting cancer
- Genomics can help once you have cancer to choose your course of care

This FREE event is a unique opportunity for patients, their families and community members to learn more about breast cancer from a panel of area experts. There will be time for Q & A.

Moderated by Scott H. Kurtzman, MD FACS • Chairman of Surgery  
Program Director General Surgery Residency • Waterbury Hospital

Panelists include area physicians: Breast Surgeons, Plastic Surgeons,  
Radiologist, Pathologists, Medical Oncologists, Radiation Oncologists
