

QUILTS THAT CARE

Quilts that Care is a new group of volunteers interested in making lap quilts for cancer patients going through treatment at The Harold Leever Regional Cancer Center in Waterbury, CT.

You don't have to be a quilter to join us, we need people to iron fabric, cut with a rotary cutter (supplied by us), put fabrics together, etc. We will have the materials needed to start the projects. We eventually will have kits available for people who cannot meet, but would like to help out.

We are also looking for donations: fabric scraps, batting, thread, backing fabric.

Our Mission Statement: So that cancer patients know that people are always thinking of them and they are not alone. Quilts wrapping cancer patients and their families in the warmth of God's love.

Meetings are held the **first** of the month at **The Harold Leever Cancer Center**
