**When?**

**The Second and Fourth Fridays of the month from 1 PM – 3 PM**

Groups will form every eight weeks-- the first group will start on  
Friday, January 9<sup>th</sup> 2015!

**Do I need to have prior art experience?**

No experience needed-- Art Therapy is for everyone at any level! If  
you can scribble, you can do art therapy!

**What can I expect?**

A great group experience where you will be able to express and share your  
thoughts, feelings, and struggles in a non judgmental and meaningful  
environment and series of great artwork to take home at the end of our  
8 week session.

**Not sure? Try it Out...**

On the fourth Friday of each month, there will be an open studio from  
2 PM – 3 PM for anyone who would like to try art therapy, just stop by!
